

## 김승협 연구소장 해외학회 초청강연

- 20210528\_WFUMB webinar\_Nutcracker syndrome, how common?, how various?, how interesting?, and why ultrasound is the best in the diagnosis and management?
- 20210814\_NCP and NCS: Diagnosis with Doppler US
- 20210814\_NCP and NCS: Imaging clues at CECT and MRI
- 20210819\_Nutcracker syndrome: Prevalence and practical imaging diagnosis
- 20210918\_US diagnosis of nutcracker syndrome

WFUMB webinar

WFUMB  
WORLD FEDERATION FOR ULTRASOUND  
IN MEDICINE AND BIOLOGY

ACAR 2021, Singapore

ASAR  
Asian Society Abdominal Radiology

ACAR 2021, Singapore

ASAR  
Asian Society Abdominal Radiology

ESMED 2021, Berlin

ESMED  
European Society of Medicine

AFSUMB 2021, Zhuhai, China

Asian Federation of Societies  
for Ultrasound in Medicine and Biology

## 연구업적 발표

- 20201116. Kim SH, Yoon T, Kang E, Kim S. Nutcracker Phenomenon and Nutcracker Syndrome, One-year Experience at a Nephrology-Uroradiology Clinic
- 20210910. Shin HM, Kim SH. CT evaluation of Nutcracker phenomenon for bladder cancer patients after radical cystectomy and ileal neobladder formation; correlation with hematuria.

KSUM 2020

대한초음파의학회  
Korean Society of Ultrasound in Medicine

KCR 2021

대한영상의학학회  
The Korean Society of Radiology
